

DOMINICAN REPUBLIC

From: Jim & Debra Tunnicliffe

“Grace to you and peace from God our Father and the Lord Jesus Christ.”
Debra & I have been blessed to be able to work with the people of the Dominican Republic since 2002 and we want to give thanks to our God for all the prayers and support from you. For the last few years we have been in the US and the Dominican Republic as God has been preparing us for the next ministry opportunity.

We want to introduce our new website, **Island Light Ministries.org**. On our site we hope to continue to communicate both the vision of the ministry and the areas of ministry to which, we believe, the Lord is directing us. Please take a moment and check it out.

The only ‘goal’ that we have is to preach the Good News to all creation. The only hope that any of us has in this world is the true hope that comes through the saving faith in Jesus Christ. Through the four areas of ministry that God has opened to us we pray that we will carry out His instructions. Please pray for us. The four areas of ministry are: vocational trade school, youth ministry, Bible studies and churches, and a feeding center. Details for each of these areas can be found on the website.

Currently, we are in southern Oregon. Our intent is to return to the Dominican Republic in February or March as the Lord provides the necessary support.

This letter is specific to the needs that we have for the ministry.

Prayer Partners First and foremost is prayer. We are building a team of prayer partners that will commit to praying for us and Island Light Ministries.

Financial Partners We are also in need of financial support. We are dependent on donations from individuals, groups and organizations that are like minded in spreading the Gospel.

Representative Partners We would like to continue to build a group of people that would be willing to help in the area of ‘spreading the word’ about what God is doing in the Dominican Republic through the outreach of Island Light Ministries. This includes those that are gifted in helping with fund raising, speaking and organizing speaking engagements for Jim and Debra.

It is important that we know who, and can communicate with, those God calls to participate with us. With this in mind we ask that, if you believe God wants you to work with us in one of these areas, you respond with the link provided or email us at islandlightministries@gmail.com
Thank you for praying for us. We are continually thanking God for adoption into His family.

In Christ, Jim and Debra
